Signature

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Please make the following documents listed on the attached PTO-1449 Forms of record in the United States Patent and Trademark Office file relating to the above-captioned patent application.

This Information Disclosure Statement is being submitted after the mailing of the first Office Action on the merits but before the mailing of a final action or notice of allowance for the present application. As such, the Commissioner is hereby authorized to withdraw the appropriate fee associated with this communication (\$240.00), as specified in 37 C.F.R. §§

1.98(c) and 1.17(p), from Deposit Account No. 50-1434. A duplicate copy of this page is enclosed for deposit account charging purposes.

A copy of each of the documents cited in the PTO-1449 Form is enclosed herein. For convenience purposes, the documents are contained in 4 bound volumes. The first volume comprising the cited U.S. patent documents. The second and third volumes comprising the cited foreign patent documents. The fourth volume comprising the documents cited as "Other Documents" in the PTO-1449 Forms.

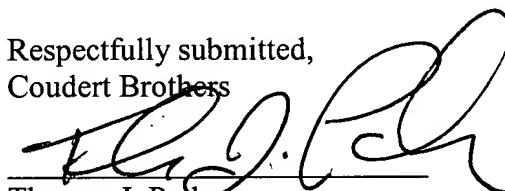

In the attached PTO-1449 Forms, a reference code is identified next to the document number of each document cited. The reference code indicates the location of the cited documents relative to the enclosed bound volumes. The reference code comprises a Roman numeral (I to IV) and an Arabic numeral (1 to 81). For example, the document with the reference label III-74 is located in Volume III, behind tab 74, and so on.

With the exception of Swiss patent documents 99489 (6/1/23), 162103 (8/16/33), 255365 (1/3/49), and 286429 (2/16/53), an English-language translation of each foreign document cited is provided, and can be found behind the foreign document to which it pertains.

Applicants respectfully request that a copy of the attached PTO-1449 Forms, which bear the Examiner's initials indicating that the citations listed therein have been considered, be returned to applicants' attorney with the next communication concerning the present application.

It is not believed that any additional fee is due beyond that specified under 37 C.F.R. §§ 1.98(c) and 1.17(p). However, the Commissioner is hereby authorized to charge payment of any additional fee associated with this communication to Deposit Account No. 50-1434.

Respectfully submitted,
Coudert Brothers

A handwritten signature in black ink, appearing to read 'T. J. Parker', written over a horizontal line.
